5 STAR REVIEW

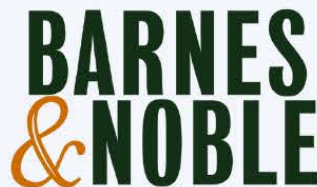

***“A Must Read For Every Believer”***

Reverend Foster Clark’s book, *Now Faith*, is for every believer and uses sound Biblical principles and scripture to support wise counsel. As someone who has walked closely with God for a long time, I found this book insightful, well-articulated, and practical. Easy to read and comprehend, *Now Faith* educates its readers about what faith is and isn’t, and it equips us to move forward in bold, expectant faith. While I do not know Reverend Clark personally, I sensed with ease his love for God and his bold desire to help hurting people. Life can be difficult and has a way of trapping us in a mire of confusion and despair. Allow this book to help you get unstuck and moving forward so that you may walk freely in God’s purpose for your life.

## Book Reviews ★★★★★

5.0 out of 5 stars *Loved this Book* (Verified Purchase)

"I loved this book, I felt like I was listening to a friend speak to me on my level. Real life answers to real life questions and feelings. Ordering another copy for a friend I won't part with mine it's a reread."

5.0 out of 5 stars *Loved this Book* (Verified Purchase) *A Real Life book on faith that will empower your daily Life and bless your faith*

Fantastic book! I have read it 2 times now.. I enjoyed the book because it was real life situations and experiences that every day people go through. Situations where the Word of God, written in the book became reality. You could see faith in action and know how it applies to you and how to apply it in your life. I recognized that whether the author was referring to people in the bible or to his own life, if God did it for them He would and could do it for me. It encourages me to exercise my faith without fear. Faith that God honors regardless of where I am at the moment or my past. Even though at times it may look as if nothing is happening through my prayers or my faith - I realized God is moving and my faith is being honored and God is always with me. This book is very encouraging, strengthening and it has motivated me to not only stretch my faith, but I had a greater realization of God's love for me. His love for me truly is unconditional and He loves to bless me in my faith.

It is to bring hope to those who have lost hope, to show the grace and the love of God to those who feel grace doesn't apply to them, to restore the fire and passion in marriages, and to empower and strengthen people with not only faith in God but with the faith of God that He gives through His word and the power of the Holy Spirit.
